The training day is aimed at individuals competing in Working Hunter competitions or who are hoping to qualify for the High Performance in Clifden or the Performance Hunter in the RDS, or may just be looking to improve flat work or jumping or both. The days will be divided up with flat and jumping lessons. The jumping lessons will take place on the cross country course and will incorporate WH fences. The training day is open to everyone, the only stipulation is ponies must be registered Connemaras. All levels will be catered for.
