

## PREFIX REGISTRATION APPLICATION

1. A **registered prefix** is a unique **single word** prefix or suffix used in the naming of ponies at birth or registration with the Society by a breeder.
2. A registered prefix can **only be used for ponies bred by the registered owner** of that Prefix. A registered prefix may not be used as any part of a name given to ponies bought and named by the owner of that registered prefix or to ponies owned or bred by anyone else.
3. In order to register a prefix a Breeder/Owner **must complete the form below** and send it to the Society office with a **fee of €50**. Only members of the Connemara Pony Breeders' Society can register a prefix. This prefix is then registered for use with the CPBS and all our overseas societies.
4. Once a Breeder registers their prefix with the CPBS or a daughter society that **prefix is registered for life** and no other Breeder/Owner may subsequently use it in the registration of Connemara ponies.
5. The owner of a registered prefix **must use that prefix when naming ponies bred by them at registration**.
6. If the owner of a registered prefix grants permission for their prefix to be used in the naming of progeny of their registered pony that has been sold on and has bred for a new owner, the CPBS will require written authorisation from the prefix owner stating they have granted permission for their prefix to be used **in each individual case**.

**IMPORTANT– Please complete both pages of this form in BLOCK LETTERS and return it, signed, together with a fee of €50 to the Connemara Pony Breeders' Society, The Showgrounds, Clifden, Connemara, Co. Galway H71 YA09**
