

Before completing this application please familiarize yourself with current legislation & guidelines surrounding equine registration. This will explain the Responsibilities of Keepers and Owners of Equine Animals – i.e. Horses, Ponies and Donkeys

<https://cpbs.ie/wp-content/uploads/2017/01/Equine-Identification-Regulations.pdf>

1. This registration form must be completed by a person other than a CPBS representative.
2. The sire and dam must be registered with the CPBS before a foal/pony can be registered.
3. The CPBS will not accept registration applications without breeding particulars.
4. If you are unsure of the correct sire you can submit 2 additional sires on this application free of charge.
5. If the sample results in an exclusion repeat sample will be required & additional fee's will be incurred.
6. You will need a valid equine premises number to register your pony. <https://cpbs.ie/equine-premises-number/>
7. A maximum of 30 characters (including spaces) can be used in a name. Names exceeding this will not be accepted.
8. A Lifetime Document will be issued for each animal when its parentage and HWSD status are verified to the CPBS.
9. If your registration is exempt from HWSD testing & results as an exclusion you may have to apply for a HWSD test.
10. The CPBS will issue the passport to the registered owner i.e. the person who applies for the DNA kit.
11. Membership rates apply to current members of the Society only. Membership is **NOT** Transferrable.
12. Incomplete applications & those accompanied by the incorrect/ No fee, equine premises number issues will be returned.

Changes to our Sampling Process.

As you may be aware the equine industry is changing its method of DNA testing. With this transition you will notice some differences in your DNA kits and processes involved. We will include clear instructions with your DNA kit please take time to read these carefully before proceeding with the sampling. Some of the changes are as follows:

- 1) You may be required to submit a sample from the dam of your foal.
If so you must present the mares passport to the veterinary surgeon when getting your foal marked.
- 2) The veterinary surgeon must correctly identify the mare by completing the following steps.
 - I. Scan the mare for a microchip.
 - II. Compare this full 15-digit microchip number to the microchip listed in the passport.
 - III. When the mare is correctly identified proceed with the foals sampling, marking & microchipping.
 - IV. Please take care when sampling as exclusion's will require repeats for all ponies included in the covering and additional costs incurred.

**If no chip is present/scanning in the mare please contact the CPBS Office 095-21863.
Please note: Samples & marking charts must be submitted together to the CPBS from the owner/keeper.**

| Fees | member | Non-member* |
|--|-------------|-------------|
| Initial registration of foals up to 31 st December. Including HWSD test | €75 | €130 |
| Initial registration of foals up to 31 st December. Excluding HWSD, where parents are already tested N/N through CPBS | €65 | €115 |
| Initial registration of yearlings. Including HWSD test | €125 | €175 |
| Initial registration of yearlings. Excluding HWSD test, where parents are already tested N/N through CPBS | €100 | €150 |
| Initial registration of ponies 2 years and over. Including HWSD test | €155 | €195 |
| Initial registration of ponies 2 years and over. Excluding HWSD test, where parents are already tested N/N through CPBS | €125 | €175 |

| <p>Declaration I the undersigned declare I have read this form and related document's carefully, I am aware of and understand the rules and guidelines governing the registration of my foal/pony, I declare the particulars contained in this form are correct and that I am liable for any additional fees which may arise due to errors in my application. In addition, I am aware of the General Data and Privacy Regulation (GDPR) 2018 and Privacy Policy of the CPBS as published on the CPBS website www.cpbs.ie. I have read and fully understand these documents. The CPBS endeavours to process personal data at all times in accordance with GDPR 2018.</p> <p>Disclaimer: Cumann Lucht Capaillíni Chonamara endeavours to uphold the integrity of the studbook and prohibit the entry of non-purebred equines, which is achieved via DNA testing and progeny records. The CPBS cannot be responsible for actions that happen outside their remit. Sample(s) submitted to the CPBS for the purpose of this scheme will be treated as the correct sample for the animal. Arbitrary testing will be introduced to ensure the accuracy of the transition. In consideration of the Connemara Pony Breeders' Society, I hereby indemnify the said "Cumann Lucht Capaillíni Chonamara or (CPBS)" against any claims and actions whatsoever arising out of the intentional/unintentional misidentification of an equine for the purpose of this scheme. Liability for the misidentification on an animal will lie with the undersigned.</p> | | | |
